

Dear Parents,

The KG pre-entry assessment is just to see where your child stands before starting their exciting journey in Kindergarten!

This is not a formal assessment.

If your child is unable to perform all of the tasks, please do not panic!

We are aware that each child is unique and different. Children develop skills at their own pace.

Most importantly, please make it fun for your child. Do not let them feel like they are being tested.

## How does the assessment work?

1. Help your child fill in the 'All About Me' form
2. Provide a video of your child doing the listed activities
3. Return the 'All About Me' form and the video by **20<sup>th</sup> June 2020** to:  
[kgadmission@rakaag.sch.ae](mailto:kgadmission@rakaag.sch.ae)

# All About Me

**My Name:**

Type here...

**My Birth Date:**

Type here...

**My Family Members:**

Type here...

**My Favourite Colour:**

Type here...

**Things I can do by Myself:**

**My Favourite Food:**

Type here...

**Circle the relevant skills:**

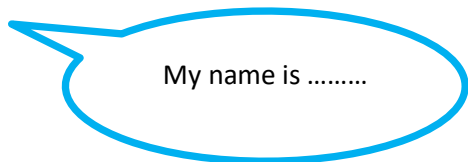

- I can put on my own shoes
- Write my name
- I can draw a picture

**One Thing I do not Like:**

Type here...

Provide a short (2-minutes MAXIMUM) video of your child doing the listed activities. Please do not use Snapchat filters when recording. Please make sure your child's face is shown in the video.

1. Ask your child to introduce her/him-self, just by saying his/her full name

2. Ask your child to walk in a straight line – going there and coming back with arms stretched

3. Let your child sit on the floor and roll a ball back and forth to a partner

4. Provide two cups for your child - one of the cups has some water, and ask the child to pour the water into the empty cup, and back again

5. Let your child read the words below

and	see	is
yes		my
at	I	with

6. Ask your child to draw a picture of his/her choice. Your child can draw on a separate paper then take a picture of the drawing. The picture should show the child drawing
