PSAT College Board Examination:

Dear Parents,

Your daughter has been given a Guide to PSAT College Readiness Test. The PSAT is highly relevant to our High School Students' future success because they focus on the skills and knowledge at the heart of education.

Our current Grade 11 will take PSAT in October 2019 1. This will provide an indicator for their SAT scores in Grade 12. There is a nominal cost set by the College Board for these external examinations.

PSAT will measure:

- ✚ What students learn in High School
- ✚ What they need to succeed in college

We constantly remind our students that the best way to prepare for the test

- ✚ Take challenging courses
- ✚ Do your homework
- ✚ Prepare for tests and quizzes Ask and answer lots of questions.
- ✚ In short, take charge of your education and learn as much as you can.
